

Help a Former Gan Keshet Preschool Teacher

With Pioneer Valley Habitat for Humanity Interfaith Build

Do you have building skills?

Do you like to use your hands or be outside
or help someone in need?

Former Gan Keshet pre school teacher Bonnie Menendez (nee Greenwood) and family needs your help with building their Habitat for Humanity home.

- Build days will happen between **April and December 2019** on Glendale Road, Northampton
- We can participate as a community creating our own build days or you can sign up individually but your hours will count for the Menendez family sweat equity hours

Express interest to Lindsay, the Habitat Volunteer coordinator at:

Lindsay@pvhabitat.org with "Bonnie's House" in subject line.

All skill levels are welcome, including non-physical labor opportunities.

Find more info at: www.pvhabitat.org
